

## AC-143 ODOUR ELIMINATOR

Effectively Eliminates Odour Causing Organic Matter with Active & Safe Bacteria

### PRODUCT INFORMATION

AC-143 Odour Eliminator Utilizes Specialty Bacteria Selected for their Ability to Selectively Remove Stubborn Odours and Stains Using Natural Bio-enzymatic Reactions. When the Bacteria Encounters Odour Causing Organic Matter, they Produce Enzymes that Digest the Material, Converting them to Carbon Dioxide and Water.

AC-143 Has been Used by the Queensland Government and Other Australian Government Agencies and Commercial Businesses with Very Positive Testimonials.

### BENEFITS

- 50 Billion Bacteria Per Litre – High Speed Odour Reducing Action
- Broad Spectrum Culture – Increased Range of Effectiveness
- Safe for Use Around People and Pets – No Solvents, No Vapours, No Heat
- Environmentally Safe – Bacteria are Biologically Useful in Wastewater Systems
- Long Shelf Life – Bacteria are in Dormant Spore Form Until Used
