

AC-36 MULTI PURPOSE CLEANER

Highly Concentrated Multi Use Cleaner for Most Hard and Soft Surfaces

PRODUCT INFORMATION

AC-36 is a Highly Concentrated Alkaline Formula Designed to be Safe for Use on Both Hard and Soft Surfaces and Removes Grease, Dirt and Grime from Most Washable Surfaces

AC-36 is Free from Petroleum, Solvents and Hydrocarbons, with No Strong Solvent Vapours.

AC-36 Will Not Harm Rubber, Plastic, Glass, Fully Cured Paintwork and Most metals.

APPLICATIONS

Painted Surfaces	Ceramics	Vehicle Interior & Exterior
Kitchen	Outdoor Furniture	Trucks
Laundry	Barbecues	Boats
Bench Tops	Machinery	Caravans

DIRECTIONS FOR USE

Hard Surfaces

1. Spray on Surface to be Cleaned
2. Allow to Dwell for a Moment
3. For Stubborn Grime a Soft Brush May be Used
4. Wipe with Clean Cloth or Paper Towel

Fabric & Upholstery

1. Spray Directly onto Soiled Area
2. Allow to Soak for 30 Seconds
3. Blot with Clean Colourless Cloth to Remove Excess Liquid

Note:

- Check Surface for Colourfastness Before Cleaning with AC-36
- Avoid Marble and Leather Products
- May Corrode Mild Steel, Copper, Aluminium and Zinc Fittings

AC-36 MULTI PURPOSE CLEANER

Highly Concentrated Multi Use Cleaner for Most Hard and Soft Surfaces
